Frenship Performing Arts Center

## **Facility Attendance**

*To ensure that the attendance does not exceed 50% for each venue, students will be issued (4) vouchers/tickets for the parents/family of the students to attend their student's performing ensemble. The attendee, with a particular voucher, will only be allowed to watch that one ensemble performance and then will be required to leave the facility and re-enter with a different voucher for the next ensemble. Individual ensemble performances will be separated with enough time to allow adequate time for attendees to exit and the next audience to enter.*

*Families and groups are allowed to sit together, but they must sit at least six feet from other families and groups.*

***Exiting Facilities:*** *Due to health and safety reasons, families and friends are not allowed in the actual performance venue space before or after the events. To prevent crowding, parents are asked to meet their student participants outside the facility when the events are over.*

## **Spectator Requirements**

***Face Coverings:*** *Per Executive Order GA-29, face coverings must be worn by all spectators when entering and exiting the facility, and when social distancing isn't feasible. Spectators will not be allowed inside the facility without a face covering. Frenship Fine Arts will respectfully ask that spectators wear a face covering for the entirety of the event.*

***Self-Screening:*** *All spectators must self-screen for COVID-19 symptoms before entering any Frenship facility. Spectators should not attend the events if symptoms are present.*

***Social Distancing:*** *Groups will be asked to maintain at least six feet of distance from other groups at all times. A group is defined as no more than ten (10) people including the members of the household and those persons who traveled together to the facility.*

***Hygiene:*** *Spectators should use proper hand washing methods and hand sanitizer as feasible. Hand sanitizer stations will be available at the events.*
